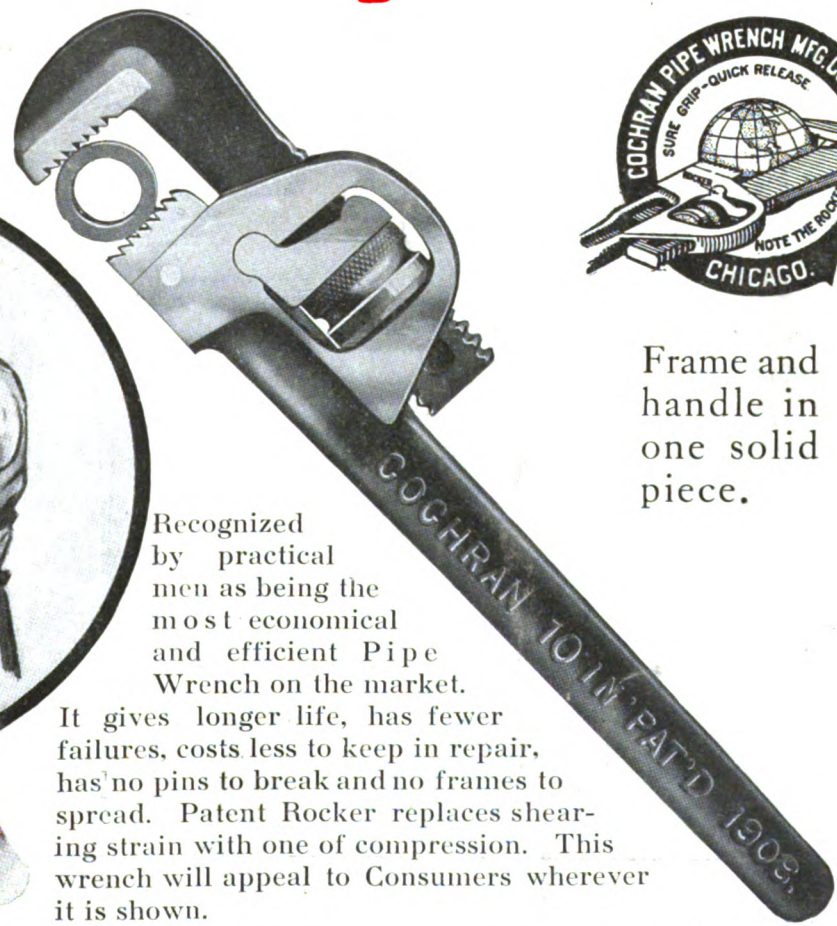
The Cochran Pipe Wrench

A high-class, reliable tool; mechanically perfect in design and construction.



COCHRAN PIPE WRENCH MFG. CO.
SURE GRIP-QUICK RELEASE
NOTE THE ROCKER
CHICAGO.

Frame and handle in one solid piece.

Recognized by practical men as being the most economical and efficient Pipe Wrench on the market. It gives longer life, has fewer failures, costs less to keep in repair, has no pins to break and no frames to spread. Patent Rocker replaces shearing strain with one of compression. This wrench will appeal to Consumers wherever it is shown.
